## Agenda: --- Discussions :

- Tonight's invited speaker was Mary Ellen Colella; the Dean of Students for 9<sup>th</sup> – 12<sup>th</sup>.
- She was clarifying what she strives for at our school.
- **C** Caring
- **A** Accountability
- **R** Respect/Responsibility
- **E** Environment
- Ms. Colella does not see middle school as Mary Dillman doesn't want her to involve the middle grade students. Ms. Colella is re-writing the Parent & Student Handbook so she may clarify absolution and the appeal process. The # of absences will always follow the student so they should work on being at school at the appropriate times.
