Agenda: --- Discussions :

- Tonight’s invited speaker was Mrs. Dilman, Principal of the middle school
- Mrs. Dilman spoke of students in the middles school and how they were doing. Two students are representing our school at the Knights of Columbus spelling bee in New Haven on March 1, 2009
- Money left from the Middle School PTO funds from last year were put to good use. A “priest chair” was made in honor of Mrs. Marie Smith and resides in the chapel. For new members Mrs. Marie Smith was one of the schools “great” math teachers who left many good memories with former students.
- Students were involved with a project of holocaust where there learned much and had to write a section so they would remember much that they could relay to others.
- There are 7 new students this semester and she hopes that many other new ones will come to the open house in March.
- The will be an open house on March 3, 2009 for the Middle School; a Spring Preview.
- The art show will take place for the High School on April 26. Middle School hosts their art show May 6 and the seniors will show their art in the lobby.
