Agenda: --- Discussions :

- Tonight's invited speakers are under the Athletic Department at SBS. Our first speaker is the HS Athletic Director, Bill Buscetto. He introduced himself so all would be aware of him and his function at the school.
Mr. Buscetto noted that it was a good year for us at school with the teams; Girls are 3rd in the state. The ticket booth will also move to a better location. The gym floor will be re-done next week as there was water damage over the summer. One of the goals for the upcoming years is a new track and trying to get a soft ball field for the girls. The girl's locker room looks great but the boys need to be done. Mentioned is that sport practice are not to begin until after 3 p.m.
- Following Mr. Buscetto was the MS Athletic Director, Leah Connors, who spoke of her functions. One major one for Leah Connors is the role of secretary for the Middle School. She is also trying to set up wrestling and lacrosse for the middle school students. Fencing fell out as a possibility.
- Last year Mr. Edwards felt wrestling should be considered as a club for students.
- Lacrosse requires many staples; rib guards, a stick, shoulder pads, and gloves to name a few. Uniforms are needed and the school should provide mouth guards.
- Mrs. Jan Feldman, our MS Physical ED teacher, along with teaching with teaching a strengthening class for sophomores in the High School. Mrs. Feldman spoke about new classes offered as Nutrition and Athletic Management & Injury. These are semester only classes.
- Mrs. Feldman did note that volleyball for 6, 7, & 8th graders are using new volleyballs given via the PTO.
- Mr. Baldasty offered to do Rita's Water Ice as a fundraiser now as they are closed until March.
- Poinsettias will be available to purchase again this year as they add to the decorating of the school. They will be available to take home from school on December 19th.
